

Incanto

Garden

Reconnect

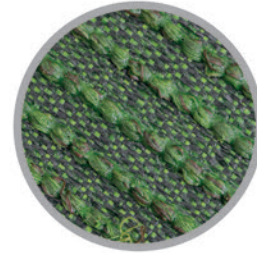

It is specially designed for the garden, and thanks to the dark brown shade at its root, it gives the surface a different colour and beauty to the other models.

It is one of our products belonging to the new **Reconnect** sustainable collection, thanks to its **Everback** backing made of 100% recyclable PE polyolefins.

Incanto mixes monofilament fibres with W-shaped section with BodyShape technology and textured fibres with root effect. It has LongLife technology which keeps the fibre in perfect condition for much longer and MaxRecover technology which gives it optimum recovery from treading.

- ▲ BodyShape W Monofilament
